Maywood Board Goals 2024

Over the course of the winter, the Maywood Board of Education and administration developed a three-tier set of priorities that we want to inform the community. The first set of priorities are short term goals with a completion over the next 1-2 years. Tier two intermediate goals are priorities for the next 3-5 years. Long term goals are 5 years or longer. We are excited to share our idea with you and the future for Maywood Public Schools.

Short term goals are equal priority. These goals are: 1) remodel & update the high school restrooms, 2) upgrade school vans, 3) revise the elementary mathematics curriculum and purchase new materials, and 4) actively promote the quality school district to our community.

Examining the fourth goal we identified three areas of focus in promoting Maywood Public Schools. The first priority is continuously updating our district's website. The website received a new format last year, which we hope you like. We have been removing old articles within the website as well as adding new materials as they become available. Miss Kamryn Hoegerl will be working to update our website and add articles to further information about our school.

The second goal of promoting the school district is to promote teacher retention and attract new employees. Given our location out in southwest Nebraska, finding the employees that are willing to live and work in our community can be challenging. We have an excellent school and staff, making us a "great" school.

The third goal of promoting Maywood Schools is to increase community involvement in school activities and learning. We have many local volunteers for various school activities like student mentorship through TeamMates, moms providing treats to students involved in activities, and helping as game officials. We want to continue to improve and be the place for community members to engage our students.

The intermediate goals are priorities for the next 3-5 years. The first priority is to replace the flooring in the lunchroom and kitchen. Another top priority is to add additional parking space for visitors to school activities. The third goal is to create STEM Curriculum, which is coursework in science, technology, engineering, and mathematics. The final intermediate goal is to add an additional staff member in reading or life skills. Life skills were an identified area by students, parents, staff and board members as an area the district should work towards.

Long term goals are identified as 5 or more years out. The first goal area is to mill down the track or repair the track. The second-long term goal is to construct a new fourth and fifth grade classrooms and attach them to the elementary and the high school building

The board of education and I solicit your feedback regarding these goals as we look forward to making Maywood Public Schools the best for our students and community.

Sincerely,
Mark Bejot

The last day of school is May 16th (11:30 Dismissal)

The bad news is, time flies. The good news is, you are the pilot.

Choir Workshop

On Thursday, March 14, 2024, members of the Maywood High School choir attended a Soprano/Alto Choral Workshop at Kearney High School. There were 200 students in attendance at this workshop. Students spent the day practicing vocal technique and working on three songs. At the end of the day, there was a short, informal concert for the music directors in attendance.

Maywood students who attended (left to right) are Graci Peterka, Emma Peterka, Dally Buffington, Gwen Rutherford, and Katie Domes.

RPAC Instrumental Clinic

RPAC Instrumental Clinic in Wallace was an amazing display of 5 of our conference schools on March 18, 2024! Dr. John Wojcik, Professor of Music and Director of Bands and Brass Studies at Chadron State College, conducted the clinic.

Celebrating MHC Wolves State Basketball Runner-up

The Wolves ended their season as the State Runner up in Class D2. Congratulations to the players and coaches on an incredible season.

On March 15th we celebrated with lots of cake and a signing from the basketball boys!

Title 1 Tidbit

Hello All! Some of you are already aware of Title 1 opportunities at Maywood Public School but some of you may not be. I want to take a moment to explain Title 1 and invite you to contact me for more information! Title 1 is a Federal Program that provides opportunities for children to acquire the knowledge and skills necessary to meet challenging state content standards. Title 1 resources are distributed to schools where needs are the greatest and Maywood is one of those schools. Part of my job as the Special Education and Title 1 Teacher at Maywood is to help all students, with various levels of ability, succeed! If you would like more information on Title 1, or if you'd like to learn about how Title 1 can benefit your child or children, please contact me! Let's talk about the opportunities and solutions available at Maywood!

Maywood Ag Ed And FFA News

We are in the final stretch of the school year and members of the Maywood FFA chapter are gearing up for the 96th Nebraska State FFA Convention. 21 high school members and three middle school members have qualified in various CDE's, LDE's, proficiencies, and state degrees. After students return from convention, we will get ready for chapter officer interviews on April 17th. The annual Maywood FFA Banquet will be held on Monday, April 22 at 6:30 p.m. in the Maywood High School gym. Meat will be provided and guests are asked to bring a side or dessert. All are invited to attend! We will wrap up the year's activities with our annual pork loin dinner drive-thru, tentatively planned for Thursday, May 2nd from 5:30 p.m. to 7:00 p.m. Congratulations to all of our state-qualifying teams and individuals!

Family Reading Night

Maywood Public School Title 1 Program invites each student in grades Pre-K through 6th Grade and their family to attend the 3rd Annual Maywood Family Reading Night. At this event, each student will receive a book specially ordered to match their reading ability. A hamburger meal will also be available for all in attendance.

***April 16, 2024, 6 to 7 p.m.**

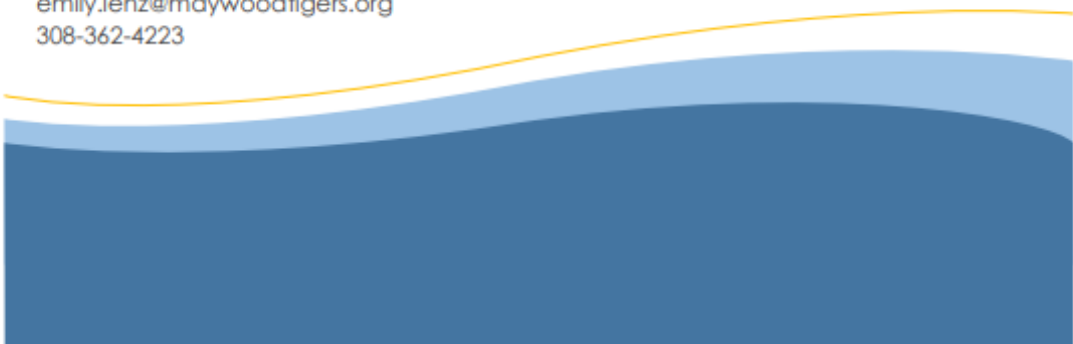

**Maywood Public School Cafeteria
#1 Tiger Drive, Maywood, NE 69038**

Elementary teachers and the Title 1 teacher will be on hand to explore books with your family. This opportunity has been made possible by Title 1 funds which are focused on building family and school connections and to help families connect over books. This is a great opportunity for you to learn more about Title 1 Services at Maywood.

We hope to see you and your family on Tuesday, April 16 at 6 p.m.
