No. 1 Tiger Drive P.O. Box 46 Maywood, NE 69038  
Phone (308) 362-4223 Website: [www.maywoodtigers.org](http://www.maywoodtigers.org)

Greetings Maywood Patrons,

My family and I would like to thank everyone for being so welcoming. All of the friendly faces have made the transition of moving and getting settled in much easier, so thank you again.

Just a reminder that the school offers breakfast before school begins every day. Parents are welcome to join their child for breakfast as well. We all know how important it is fuel up our bodies in morning so we can function throughout the day.

The elementary students and staff will be implementing a new reading series, Wonders, this year. This series will be a change of pace for the students. It offers texts in a variety genres and rich informational text as well. Please continue to read as much as you can with your students at home.

District wide we will be implementing a new program call IXL. It is a program that will be used as a diagnostic to inform teachers and students of what each student knows. It offers a personalized learning experience for each student.

For activities this fall, we would like to offer a complimentary pass to all senior citizens to get into all activities for free at Maywood. If you are 65 years of age or older, please stop by the school or call in to reserve your complimentary pass. Activity Passes will be available for \$25 for an individual pass and \$100 for a family pass. The price of admission to activities will be changing this year to: \$5 for adult and \$4 for student.

As a reminder, there will be no school on Monday, September 3<sup>rd</sup> and Wednesday, September 19<sup>th</sup>.

Sincerely,

Mr. McCain

Maywood Public School will be collecting Box Tops for Education again this year. For your convenience, you may drop them off at any of the following locations: Maywood School Office, Ag Valley Co-op Gas Station in Maywood, Community First Bank and the Village Market. Elementary Students will also be collecting Box Tops and pasting them to collection sheets to turn into their classroom teachers. Box Tops for Education is a great program that benefits schools across the nation. Thank you for collecting the box tops and supporting your school.

# Maywood FFA News

By Paige Wood, Maywood FFA Reporter

Maywood FFA had one busy summer! To kick off the summer activities, the officer team attended the COLT (Chapter Officer Leadership Training) conference in Aurora, NE on May 21-23. This conference helps chapter leaders develop their personal and leadership skills. This year, our officers attended this conference for three days. Throughout these days, each of the officers attended meetings for their specific position, as well as chapter meetings. The officer meetings helped each one of our officers gain a better understanding of what their role is on the officer team. During chapter meetings, they discussed new ideas to implement in the 2018-2019 school year. Some of the main focus points included community involvement and chapter recruitment.

After returning back home, the officers shared their new ideas to the chapter during the June chapter meeting. Multiple community service activities for members to participate in were discussed; a few of these including the Wellfleet Lake Cleanup and serving at the barbeque at the Frontier County Fair.

July was a busy month for our members as they volunteered to participate in many events. On July 16th, we held our July meeting. During this meeting we discussed our future events in more detail and decided on committee chairs and members. Each of these committees are in charge of organizing and planning a specific event. After the meeting, members headed out to the Wellfleet lake to pick up the trash in and around the main areas of the lake. Maywood FFA also participated in many activities during the Frontier County Fair including assisting in morning trash pickup, serving at the free barbeque, and helping Farm Bureau with a Connecting Chapters Activity. We also had multiple students enter 4-H animals at the Frontier, Hayes, and Lincoln county fairs.

On August 2nd, FFA members assisted the Hayes County Fair parents by working the concessions during the beef show from 4-9pm. Our August meeting was on August 13th. During this meeting, each of the event committee presented their ideas to our chapter members. One of the events included our FFA Back to School Night which was held on August 15th. The Maywood FFA members were each assigned a classroom to work during the Back to School Bash. While there, members handed out "Scavenger Hunt" fact sheets to give to each student. On these fact sheets were fun facts from each elementary teacher. Each of the kids had to go around to each teacher and get to know them more during this activity.

Members will begin fall Career Development Event practices to prepare for upcoming contest including area land evaluation in October and livestock evaluation in November. If you would like to assist with any of our practices, please contact Miss Armstrong at 308-362-4223.

## Elementary Student Council event— **Feed the Pig!**

The Elementary student council is working on a fun activity for Homecoming, October 4th. Each student can bring pennies to school and "feed the pig" piggy bank. We really want Mr. McCain to kiss a real pig at the Homecoming pep rally so the goal is....

**1,000 pennies = kiss the pig!**

We realize the monetary amount is not very much, but we thought this would be a great way for students to get to know their new Principal! If we get a lot more pennies, Mr. Brown may also have to kiss the pig!

We will have piggy banks in each classroom. Also Homecoming is only a few weeks away so we wanted the goal to be obtainable for the students. They may count at home; however, the 5th grade class will collect, count each Friday, and give a total at the end of each week to see which class is winning! Just like last year, there will also be a prize for the winning teacher of that class!

# Counselor's Corner

If we all do one random act of kindness daily.  
We just might set the world in the right direction.

## #BeKind

#BeKind is a rolling its way through the Metro Omaha area and Maywood Public Schools would like to jump on this “kindness train”. #BeKind is a kindness initiative or movement that offers a way to empower young people to make good choices in their own unique way and to help students make positive personal connections in an increasingly digitally dominated world.

It simply reminds people what kindness looks like, sounds like, and feels like. Kind behavior leads to more joy, higher grades, more energy, better health, greater productivity, and increased self-esteem. Maywood Public Schools will be inviting #BeKind to be a part of our conversations, actions, and school/community family.

**Please join us! #BeKind**
