Maywood School Families,

Thank you for everything you do. I hope everyone was able to enjoy family and friends over break. The first semester went by quickly and I know the second semester will go by just as fast. It has been enjoyable to continue to build relationships with your children and learn more about them each day.

I would like to stress the importance of attendance. It is very important to have your child here as often as possible. If your child is going to miss a day of school please contact the office. If you are going to pick up your child from school please notify the office ahead of time and then come to the office when you arrive to pick up your child.

Parent-teacher conferences will be held on, Thursday, February 7th from 3:00 p.m. to 8:00 p.m. Students will be dismissed at 1:00 p.m. that day. We look forward to seeing all of you that evening.

Sincerely,

Mr. McCain

Doing what you love is
where happiness lives

The Jelly Donut Difference, By Maria Dismondy has been a tasty treat for our elementary guidance classes so far this month. We have been focusing many lessons on being a good friend to everyone and showing kindness. In this book, there are 2 children characters that complete acts of kindness for their elderly neighbor.

Our seniors have been completing college scholarship applications and visiting colleges to make their final decisions. Some of our 10-12th grade students will be exploring medical careers at McCook Community Hospital on January 31, 2019. The hospital organizes this event and students get to engage in hands-on activities in a variety of medical professions.

The 8th grade careers class has been learning about different personality types and how that can affect a place of employment and why it is important to know your own personality type. The students enjoyed learning about themselves and sharing with their classmates.
