

**Alex Kathryn Snyder
Memorial Scholarship**

\$675

Application is due March 15th

This scholarship is available to any FFA member in both District 9 and 11.

The scholarship will be based upon their future goals and answers to the questions more than their GPA or honors. The applicant does NOT need to be continuing into agriculture as their career or educational goals but will hopefully realize that they can still be involved in agriculture in many other ways. If you have any questions please feel free to ask. There are no length restrictions so feel free to change the format of the application if needed.

Change: You will need to have an advisor's statement sent along with the application.

Money will be sent to applicant after proof of enrollment into their school of choice.

If you would like to email applications please have your ag instructor email them to katy.snyder@maywoodtigers.org. By having the ag instructor email the application, it's as good as having their signatures. O you can mail the application to:
