

MAYWOOD PUBLIC SCHOOL NEWSLETTER

No. 1 Tiger Drive P.O. Box 46 Maywood, NE 69038
Phone (308) 362-4223 Website: www.maywoodtigers.org

Dear Maywood Students & Parents,

Welcome back for the 2022-2023 school year! I hope all of you have had the opportunity to enjoy your summer break whether, fishing , boating, playing baseball, attending various summer camps for football, volleyball or basketball. I realize many of you have worked summer jobs on farms, ranches, mowing, or local businesses in the area and I look forward to hearing about summer activities.

While you were away, Mr. McCain and I have been busy hiring new teachers for the upcoming year. Please welcome Mrs. Amy Trimble as our 6th grade instructor and Ms. Diane Pauline Umali from Manilla, Philippines who will serve as our 2nd grade instructor. During the summer, Maywood High School has also hired a new custodian, Mr. Nate Shirley.

The summer cleaning crew has been busy making improvements such as painting the commons area, several classrooms, gymnasium entryway and portions of the gym. Classrooms have been cleaned including carpets, desks, and walls. The coatrooms received a fresh coat of wax. The busses have been serviced, cleaned, and are ready for the fall. We have added two new water dispensers in the elementary, a new route bus and new vape detectors in the restrooms and locker rooms. Please take a moment and thank Eric, Nate, Rick, Ridge, and Avery for their efforts making our school a great place to learn.

A change for the upcoming school year that I need to make everyone aware of is there will **NOT** be free lunches for everyone. I need every family to apply for free and reduced priced lunches this year, as you have done in the past. Even if you elect not to use the free lunches, the completed application helps our school to receive other school grants and benefits. Please complete the forms on the EZ Meal app which can be found on the school website.

The theme for the upcoming school year is “demonstrating kindness.” Kindness is contagious in how we speak to one another “positive talk,” offering help when needed, and acting humbly (elevating others rather than yourself) with everyone. Your school team continued training on effective instruction and improving classroom learning. We will be changing some classroom expectations to cut distractions and improve everyone’s focus on engaged learning.

Enjoy the final weeks of summer, go to the lake, ride horses, play volleyball, read a book or go for a walk. I hope to see many of you at the fair. School begins Wednesday, August 17, 2022. We will have our open house and parent meeting on Thursday, August 18th, from 5:30-6:30 p.m. See you there!

Sincerely,

Mark Bejot, Superintendent

TEAMMATESSM MENTORING

Building Hope for the Future

TeamMates is a strengths-based mentoring program, equipping mentors to help students discover their individual strengths and talents and identifying opportunities for them to build on the ways that they are uniquely awesome. Data collected through the Gallup Strengths project has demonstrated that this strengths-based approach produces a positive impact on students' levels of hope, engagement in school, and well-being. As a result, TeamMates mentees look forward to meeting with their mentor each week and have the support and encouragement they need to reach their full potential.

The Maywood Teammates Chapter is ready to start off a new school year! We would like our chapter to grow and in order to grow we are asking for your help. We have many students in our school district that are looking for mentors. Mentoring is making an investment in the future. By meeting with a mentee once a week and showing interest in the student and their life you can increase the likelihood they will graduate from high school and become a contributing member of society. Mentors also help identify the gifts and talents of young people that provides a sense of hope and vision for their life.

Please consider mentoring a student. Applying to be a Teammates mentor is easy.

Apply at Teammates.org - If you have any questions, please feel free to contact the school at 308-362-4223.

We look forward to hearing from you!
