Maywood FFA Update

Maywood FFA members have been actively competing and representing our chapter with excellence throughout the semester. On January 21, at the Region 11 FFA Contest, the Ag Demonstration team, including Blayklee Farr, Dallas Grunden, and Taren Sailer, earned first place at districts, securing their qualification for the State FFA Convention in Lincoln, Nebraska. Additional members also competed in Creed Speaking and Employment Skills.

Our chapter hosted a successful Hired Hand Auction on February 2. We are incredibly grateful for the continued support from parents, grandparents, and community members who attended and contributed to the event's success.

District CDE #2 was held on February 11, where Maywood FFA was represented in both Veterinary Science and Ag Mechanics. The Ag Mechanics team, Ethan Renner, Clayton Mahanes, Steven Werkmeister, and Zach Wheat, earned first place at districts, also qualifying for the State competition. On March 3 our chapter will be competing in Livestock Management, Ag Sales, Meat Judging, and Floriculture.

We are proud of the hard work and dedication our members continue to demonstrate, and we look forward to cheering them on as they compete at the State level.

MARCH NEWSLETTER

Dear Mentors and Mentees,
Happy March!

As we move closer to spring, this is a great time to reflect on the growth, connections, and progress happening within our TeamMates community. Each meeting, conversation, and shared experience continues to make a meaningful difference — and that's something worth celebrating. Mentors, thank you for your steady commitment and the positive example you set. Your time, encouragement, and guidance truly matter. Mentees, keep showing up, asking questions, and working toward your goals. Your effort and openness are what make this partnership so powerful.

This month, we encourage you to:

- Try something new together — explore a shared interest, or set a short-term goal.
- Check in on academic and personal goals as we approach the final stretch of the school year.
- Take a moment to recognize how far you've come since the beginning of the year.

If you have any questions, need support, or would like ideas for activities, please don't hesitate to reach out. We're here to help you make the most of your mentoring experience.

Thank you for being an important part of the TeamMates program. We're grateful for each of you and the impact you continue to make.

Wishing you a positive and productive March!

Sub District Basketball

February 16th, 17th and 19th Maywood hosted the girls basketball subdistrict D1-11. On February 16th Southern Valley and Hi-Line versed each other to see who would play against Maywood Hayes Center the next day. Southern Valley took the win and moved onto the next round. Then on February 17th MHC and Southern Valley played the first game of the night. MHC won 60 to 39, MHC moving onto the subdistrict finals. The next game that was played that night was Southwest against Arapahoe. Southwest won their game and earned a spot in the subdistrict finals with MHC. The last game of girls basketball subdistricts was played on February 19th. What an incredible battle in the subdistrict finals! The final score was MHC 53 - Southwest 42. We are so proud of the heart, determination, and grit all of the players showed on the and off the court. It can not be expressed how excited we are to see what the boys basketball subdistricts, and girls district finals will bring for the MHC Wolves!
