## Nebraska ChildFind

### WORKING TOGETHER TO IMPROVE EDUCATION FOR CHILDREN & YOUNG ADULTS WITH DISABILITIES

Nebraska ChildFind provides information to parents, school personnel, and service providers on child development and special education for children from birth (or the date of diagnosis) to age 21. ChildFind also helps parents access information on rights and resources to help them advocate for an appropriate education for their child.

Does your child have trouble learning, speaking, hearing, seeing, walking, or participating in activities with other children? Or are you concerned about your child's physical condition, learning, or development in other areas?

For children Birth to age 3, the ChildFind process is part of the NEBRASKA EARLY DEVELOPMENT NETWORK, which may be able to help families with infants and toddlers that experience developmental delays, genetic syndromes, medical impairments, as well as many other disabilities through service coordination and other services.

Your local Early Development Network Service Coordinator Barb Esch, for ESU 15 area can be reached at 308-345-7341 for information regarding your concerns for your child.

Sincerely,

Mr. Mark Bejot
